Pro Juventute’s Letters to Parents — your expert companion from birth to the beginning of school

These practical guides for parents contain tips and suggestions that are specifically tailored to the age and developmental stage of the child. With information composed by a team of experts, these letters center on topics such as care and hygiene, nutrition, development, child rearing, as well as the role of the mother and father, relationship issues, and family-supplementing childcare. Pro Juventute’s Letters to Parents cover the first six years of your child’s life. In many communities and institutions, these letters are presented to new parents free of charge. They can also be ordered directly from Pro Juventute.

Pro Juventute’s Letters to Parents are produced by Pro Juventute with technical input from the following specialists:

- Carmen Amrein, Early childhood educator and director of a daycare center
- Marianne Botta Diener, Dipl. Food Engineer ETH and Dipl. Teacher ETH
